SOLICITATION AND FUND-RAISING ACTIVITIES

The buildings and grounds owned by the Board of Trustees of the University of Arkansas exist for, and are exclusively devoted to use for, the conduct of an organized and approved University program of higher education. As such, these buildings and grounds are committed to being used for the non-profit, tax-exempt use of the official program of the University. Therefore, private business activities are not permitted on University premises. However, in certain limited areas, the University contracts with private firms to provide needed on-campus services for the convenience of students, faculty, and staff which contribute to the accomplishment of the University's educational purposes.

Apart from prohibiting profit-making commercial business activities, the University also regulates, within limits, under separate policies, and consistent with the above policy, any use of its buildings and grounds for solicitation, including fund-raising activities.
